

SECTION 3: Composition / Information on Ingredients

Chemical Name	CAS Number	EC Number	Concentration	Classification
---------------	------------	-----------	---------------	----------------

Sodium Chloride	7647-14-5	231-598-3	60%	H315 H319
-----------------	-----------	-----------	-----	-----------

Ethanol	64-17-5	200-578-6	40%	H225
---------	---------	-----------	-----	------

Special Limits:

Sodium Chloride H315 Causes skin irritation

Ethanol H225 Highly flammable liquid and vapour
